COACH'S AGREEMENT – ONE YEAR CONTRACT FOR A HEAD OR ASSISTANT COACH

This writing is evidence of an agreement between (Team Name) _____, which team is a member of the New England Football League and which team is hereinafter referred to as "Club" and (Coach's Name) _____ of (Coach's Address) _____, which individual desires to instruct the disciplines of football for Club and who is hereinafter called "Coach". In consideration of the various respective promises herein-contained, the parties hereto agree as follows:

1. The terms of this agreement shall be for a period of one year, although subject, however, to certain provisions regarding termination as specified herein.
2. The Coach promises during the term of his agreement, that he will instruct the disciplines of football as specified under the rules and bylaws of the New England Football League. The Coach agrees to participate in all practices, and in all league and exhibition games scheduled by the Club.
3. The Coach further agrees that he will conduct himself in a respective manner at all times as a representative of the Club and of the New England Football League. If, in the opinion of the Club or the officers of the New England Football League, the Coach acts in a manner contrary to such obligation, either the Club or the said league shall have full power and authority to unilaterally terminate this agreement and deny the Coach any right to coach football on such Club in such league.
4. The Coach agrees that he will assume all risks of coaching tackle football, which he recognizes as a high-speed, physical contact sport, and further agrees to release and save harmless both the said Club and said New England Football League, and/or their respective officers, coaches, directors and staff. Accordingly, the Coach hereby waives any claim against any of the above parties for any type of injury or harm or loss which Coach may be caused to suffer in connection with any activity in connection with Coach's involvement to any extent or in any capacity with said Club or said League. Coach further agrees to release any city, town, municipality, institutions both public and private and any representatives thereof, including but not limited to, parties in control of stadiums and facilities, and similarly waives any future claim he may have against any such party. The Coach is assuming (i.e., voluntarily exposing himself) to certain known and appreciated health risks and physical dangers inherent to coaching tackle football, about which risks and dangers Coach hereby represents his awareness and appreciation.
5. The Coach shall not write or sponsor any magazine or newspaper articles concerning the Club or the League, nor shall Coach endorse any product or service without written consent from the New England Football League.
6. The Coach releases all rights of his name, picture or any likeness to the New England Football League so that they may be used for any purposes benefiting the New England Football League.

7. The Coach agrees that at the conclusion of this one year agreement, if he is not returning to the Club, for sole reason of joining another Club in the New England Football League, he will notify this Club no later than March 1 of the next year. Said Coach must also receive a written release form accompanied with this agreement from the Club and meet with the representative of said Club before joining any other Club in the New England Football League.
8. The Coach further agrees that failure to notify a representative of said Club as of March 1 of next year that said Coach is joining another Club, said Coach can be refused being granted a written release and return of this agreement by said Club, thus not allowing said Coach to change Clubs.
9. If the Coach is relieved of his duties by the Club before preliminary rosters are due at the league office, then said Coach is automatically eligible to obtain a release from said Club and pursue any other coaching opportunities within the league.
10. If the Coach is relieved of his duties by the Club after preliminary rosters are due at the league office, and either before or after final rosters are due at the league office, then it is at the discretion of said Club whether or not to grant said Coach his release.
11. It is understood, agreed and acknowledged that if any portion of this Agreement may be deemed by the ultimate Court of judicial authority, or any Court of competent jurisdiction whose decision is not appealed, to be unenforceable or otherwise legally invalid, then only such narrowest portion of what has been judicially declared as unenforceable/invalid shall be deemed stricken from this Agreement without affecting the enforceability or validity of the balance of this Agreement, so that the remainder of same shall remain in full force and effect.
12. The Coach hereby acknowledges the receipt of a copy of the Agreement dated this _____ day of _____, 20_____, and an opportunity to revoke and rescind this Agreement – if not satisfied with its terms after the opportunity to consult with league counsel – within seven (7) days after the date specified in this paragraph.
